**EXTENSION REQUEST -- LOS ANGELES COUNTY RESPONSE TO LARGE SCALE
DISASTER DEBRIS REMOVAL EFFORTS (ITEM 48, AGENDA OF JUNE 19, 2012)**

On June 19, 2012, the Board, on motion of Supervisor Ridley-Thomas, instructed the Chief Executive Office (CEO), in conjunction with the Department of Public Works (DPW), to report back in writing within 45 days as to whether a procurement process would be beneficial to identify a prime and secondary contractor to be prepositioned to oversee clean-up efforts for a disaster with a projected clean-up cost of over \$100 million. Should it be determined that a procurement process is beneficial, the Chief Executive Officer was directed to report back in writing to the Board of Supervisors within 30 days with a summary of the qualifications required and summary of their proposed procurement process.

The feasibility of several new options is currently under consideration with the assistance of DPW. It has been determined that more time is needed to finalize our response to the Board. Therefore, we request an additional 30-day extension.

Should you have any questions regarding this matter, please contact Carol Kindler at (213) 974-1154 or ckindler@ceo.lacounty.gov.
